English - Conversational

| SUMMARY

Information Technology student seeking an internship position. I offer a blend of technical computer skills—such as database and system management—and a strong commitment to office administration. I am eager to help the team with daily documentation, file organization, and providing helpful, friendly assistance to staff and the public.

| EXPERIENCE

Work Immersion Intern | Dugong NHS
2022 – 2023 | Dugong Bucay Abra

- Accurately encoded and maintained physical and digital school records.
- Systematically organized, filed, and managed confidential documents.
- Assisted teaching and administrative staff with daily office operations and instructional prep.
- Streamlined record retrieval tand document distribution across departments.

| PROJECTS
